

WARRANTY CONDITIONS

Scope of warranty:

- Warranty is valid for 12 months from first time vehicle is used on road, and for a maximum of 24 months from date of delivery, if other is not stipulated in the order acknowledgement.
- The warranty does not cover normal wear of wear parts and consumable parts such as gaskets, bearings, hoses, tyres, brake drums, brake shoes, brake pads, brake linings, air bellows and shock absorbers.
- An extended warranty is available on certain parts. To validate this warranty, please fill out the specified forms and send to Kilafors Industri AB.
- The warranty does not provide compensation for downtime, towing and similar costs in conjunction with warranty claims.
- The warranty does not provide compensation for consequential damage relating to a warranty claim.

Conditions for warranty validity:

- The warranty shall only apply if original parts have been used.
- Initial service must be performed before the vehicle's first 5,000 km, and the service report must be filled out and returned to Kilafors Industri AB.
- Service must be performed in accordance with the service report.
- A brake synchronisation report must be produced and available for both the tractor and trailer.
